

Fanless  
Very Economical  
Quiet

Anyone looking for a reliable and undemanding workhorse is well served with the POS-310 Eco GT II. With this model, 4POS has developed an ergonomic all-in-one POS solution which runs absolutely quiet. It operates completely without fans and is thus easy to maintain. With its ultra-sleek and very stylish design, this energy-efficient POS terminal requires a minimum amount of space. Equipped with a 15" resistive touchscreen, it is very user-friendly and optimally designed for use in hospitality.

## Touch System POS-310 Eco GT II

1. Ultra-Slim Housing with Advanced Fanless Thermal Design

2. Optional Customer Display 15"

3. Optional MSR and iButton

4. Optional VFD Customer Display
